Tee Off for Change: Could Your Club Host a Qualifier?

We're inviting fantastic golf clubs across Suffolk and Norfolk to take part in an exciting new charity event: Tee Off for Change. We're looking for clubs to host a qualifier round of an Individual Stableford competition, where the top two players will secure a place in the Grand Final at Seckford Golf Club on 10th October – free of charge for those who qualify.

This is more than just a game – it's a chance to:

- ✓ Showcase your club and bring members together
- ✓ Raise vital funds to support children and young people affected by sexual abuse
- ✓ Be part of a county-wide initiative with other local clubs

Here's how it works:

- Host an Individual Stableford qualifier event at your club
- We suggest a £5 donation per player – if you're able to collect and pass this on to the charity, we'd be incredibly grateful (see bank details below)

Let us know:

- Your chosen date
 - How many people are taking part
 - Whether you're happy to donate the proceeds to Brave Futures
- All qualifier events must be held by 31st August 2025

After the event, please provide:

- Names and contact details of the top two players
- Their winning scores and handicaps

* Please keep a record of the top five players, in case any of the top two can't attend the final

We'll promote your club's involvement via our website and social media – email: hannah@bravefutures.org

Grand Final Details:

When: 10th October

Where: Seckford Golf Club

Who: The top two qualifiers from each participating club

Prize:

A Brave Futures trophy

A £500 voucher for golf merchandise

Why this matters:

Sadly, 1 in 10 children will experience sexual abuse before the age of 16. By taking part, your club will:

- Help Brave Futures continue providing specialist support
- Raise vital awareness to help prevent abuse before it happens
- Be part of something powerful – a community driving change, one swing at a time

Let's make Tee Off for Change an annual highlight – for your club, your community, and the children who need us most.
